Welcomer Sash – Sashes for people to introduce our newbies. Come speak to Runa for one. One note, if you're always busy and doing stuff at events already, as many people are, then it may not be the best time to have a new person to be helping guide.

## Events

### Nicholas Watson - Rhythms and Brews

16th/17<sup>th</sup> of February

Motion to run the event made. Motion passed, no objections.

### Spring war

Team getting together, to set up a bid

### 12<sup>th</sup> night 2020

Millie is preparing a bid

#### **Seeking volunteers**

**Officers discussing having gatherings on Sundays at Charlestown.** Options being discussed, and will be surveyed through the Mord Mailing List. Poll of other baronies, the price we're paying is distinctly low in comparison (\$10 a week, + a fee for the hall, vs \$5 per person per week). Reason this comes up, is as a way of keeping attendance high – less often may have people more eager to attend.

### Nicholas Watson – Crispins Seneschal

Upcoming O-Week (Week ending 23<sup>rd</sup> of Feb)

**Will require volunteers for fighting, display items, etc. Time to recruit more crispies!**
