

Rhythm and brews check up

Festival camp coordinator still needed.

Speak to Tom or Roland about duties, mostly talking and communications

4 main areas for rowany camp

Mundane campsite with gas stove and amenities

Need to think of a cool name

Hound over water camp

Halfway period area

People starting to get period camping stuff

Dark ages camping area

All heavily researched period clothing, camping, cooking. Live history demonstration

All areas gathered together in mordenvale, but slightly separated for historical accuracy or allowing household to be together

R&B in two weeks,

Survey for gathering alterations is now live, to determine when and where gathering would be

Mordenvale got submission for Crown 2020

New site for Spring war means more available resources to do new things

Splitting up responsibilities to share the workload amongst several people, compared to one person doing a lot

Plenty more room for merchants, contact and invite people

Thoughts of holding a ball or something similar for dancing properly organised at Spring war.

Build projects put forward for draperies, lanterns for lighting, hearth to be built in time as new site doesn't want the grass to be damaged

Transport may be an issue.

Rhythm and brews

Interest in markets

Tokens made

Prizes ordered

Schedule released next week

Cooking weekend next weekend, servers needed,

Officers

Heraldry is slow, voice heralds needed for events.

Next week is herald meeting, discuss badges for baronial awards

Reeve has money, reports are done, kingdom levies now apply for events from now on, effects legal adults.

Web wright, looking for handover in April at end of tenure

Hospit garb and feasting kits for r&b please talk to Runa ASAP.

B&B 12th night crown investiture, at Anglican Church in Cooks Hill 2 weeks after Christmas, last event before kingdom intends to change when crown events should be run to avoid height of summer

Roland hiring hall again for fighter practice, may need to be altered later on depending on if regular gathering changes as a result of the survey
