CLASSIFIEDS!

HELMET FOR SALE

Used once, slight staining. Contact Agnarr the Beheader by the old empty barrel when the sun is at its zenith.

FOR RENT: HOVEL

Small squalid dwelling available. Views of swamp. Slightly haunted. 2MN/W Neg. Please establish contact by turning on your heel 3 times, looking into a mirror and saying your own name backwards.

IT'S NOT FOR EATING

Blood required for unspecified purposes. Prefer virgin. Need quickly and without questions. Will pay for removal from correct applicant. Must be, and I cannot stress this enough, human blood. I won't be fooled again.

This issue of MordenMail is proudly sponsored by the Mordenvale Company of Brewers.

You can get it fightin'. You can get it bitin'. You can get it when you're trying to rhyme. A nice warm day needs a nice warm beer. And the warmest beer is MorCoB.
